

shark

features

Offered through a partnership with Artifort in Schijndel, The Netherlands, Shark got its name due to the profile resembling the feared predator. But with this chair there is nothing to fear as it provides the perfect platform for hospitality and entertaining or casual work environments. Shark's wrap around construction with added back support provides an extremely comfortable chair for a long evening around the table or a productive meeting. The fully upholstered seat is paired with a steel four-leg or sled-style base that are personalized in any of Studio TK's Fundamental or Fashion metal finishes.

shark

planning

Shark's round and well-fitting back provides the user with added support and makes for an extremely comfortable seat that is perfect for a relaxed hospitality dining setting, guest seating, and informal meeting spaces. Shark's distinctive profile brings a friendly elegance to any dining and meeting space. Fully upholstered seat is available in a Four Leg or Sled Base style that can be personalized in any of Studio TK's Fundamental and Fashion powder paints.

specification example

Shark is available in two base style configurations.

weights

Shark Chair, Four Leg	28 lbs
Shark Chair, Sled Base	28 lbs

COM/COL material requirement

Yardage is based on a non-patterned fabric. Additional yardage may be required for pattern repeats and the matching required. Leather yield may be affected by the quality of the COL. However, variance in the size of the hides will not affect the yield.
