

## Quality Policy

Teknion is an international leader in the design, manufacturing and marketing of office systems and related furniture products.

Recognized as a leader in office furniture design, Teknion sets objectives and offers sophisticated products for the technology-driven office. In addition to office systems furniture, Teknion offers comprehensive storage, filing products, task and lounge seating, case goods, executive furniture, and a full range of workplace accessories.

We support our policy through our commitment to comply with the requirements of the quality management system as well as applicable regulatory and other requirements which in turn ensures that we are consistently providing products and services which continually meet or exceed our customer's expectations.

Our vision of "building a company where people matter" ensures that our employees are an integral part of our quality program and that we are committed to the continuous improvement of our employees and processes.
