## cosi

The Cosi laptop table offers proof that work tools designed for utility can be elegant as well. Intuitive and easy to adjust, Cosi places height and tilt controls directly under worksurface. The base moves easily into the position desired while maintaining clearance around chair bases and feet. At an accessible price point, Cosi is built to support you, your posture and work, wherever you are.

# features

worksurface  
w 22"  
d 13.4"
