

Mr. N by koncept

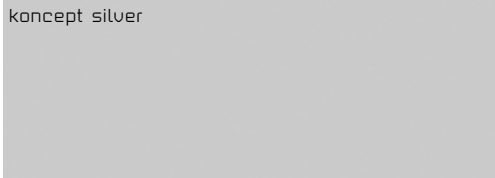

Mr. N adds a welcome hit of fun and wit to your space with its graphic arched shape in two height options. Available in Standard and Tall heights, Mr. N is at home in ancillary spaces, open areas, private offices, on shelving or anywhere that a soft and aesthetically eye-catching accent is needed. Advanced light panel technology allows the entire outer surface to glow with warm ambient light.

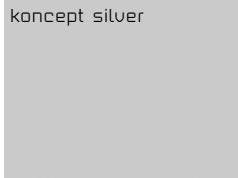

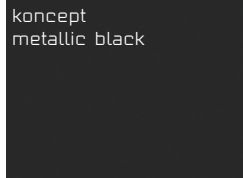

features

mr. n tall finishes

mr. n standard finishes

environmental considerations

- energy consumption:
mr. n standard 5W
