# adventura product information

Adventura is a flexible lounge collections including a lounge chair, settee and sofa with a variety of options to fit in various workplace applications. Designed by the Studio TK Design team, Adventura brings in classic design details of European styles paired with Studio TK's flexible options to allow designers to select multiple fabrics, finishes and optional details. Inspired by a "choose your own adventure" selection of finishes and configurations makes this simple set of configurations very expansive for refined corporate spaces or crafted start-up environments.

The versatile lounge collection offers two leg styles, a four leg post or sled version, in either powdercoat paint or polished stainless steel. Additionally, the selection of upholstery options including an optional arm wrap and tufted back cushion in a sewn or button upholstery expands the options to a broader range of applications.
