

Freight Terms and Conditions

(Continental United States and Canada)

For deliveries within the Continental United States and Canada, Studio TK utilizes a fleet of contract trucking carriers that deliver our products via standard ground freight. For standard shipments utilizing the method described above, Studio TK will bear the cost of freight from our manufacturing facilities in North Carolina and Canada to any single destination within the Continental United States and Canada.

Customer Requirements:

- No action needed.

Studio TK will:

- Select the carrier to be used

Notes:

1. All products will be shipped protected in corrugated boxes.
2. Freight is for **Normal Warehouse Dock Deliveries** during business hours only.
3. Product is shipped FOB Manufacturing Plant.
4. Customer assumes risk of loss and/or damage upon shipment of the product leaving the factory dock.
Any claims for loss and/or damage are the responsibility of the purchaser.
5. For freight quotes outside of the Continental United States and Canada, please contact Studio TK directly.
