Trine product information

The Trine Stool, designed by eStudi Manel Molina, was inspired by the classic and iconic three-legged milking stools used on farms in Spain. Manel combined his experiences of growing up on a farm and his artisanal background to create an alluring stool that is as simple as it is complex. Trine takes fabric, metal, and wood to produce a breathtaking design where a unique metal base and footrest seamlessly intertwine with metal or wooden legs. Trine's three sizes, a dining height, a bar height, and a counter height, combined with Studio TK's multiple textiles, wood finishes, and powder coating options, bring flair to all residential, hospitality, and workplace applications.

Designer eStudi Manel Molina	Typology Stool
Collection Studio TK	Year 2023

Collection
