what is banqs

Banqs is a destination for collaboration, focus work, and socialization.

As mindsets shift around what constitutes a positive work experience, Banqs has taken a holistic approach to help workplaces adapt to new patterns.

Work, and where it is being performed, has become increasingly agile. The Banqs portfolio provides the flexibility you need to meet the moment.

Whether that means connecting one-on-one offline, doing heads-down work that requires a certain level of privacy, or making the most out of in-between moments to catch up with your colleagues, Banqs' comprehensive system of screens, tables, and modular sofas transform under-utilized real estate into effective places to collaborate, socialize, and focus.

meeting space

Banqs can be configured into well equipped, functional meeting spaces with an A/V integrated High Spanning Screen, complete with monitor mount and cable management feature in combination with power integrated tables and modular Banqs sofas.

collaborative/socialization space

Create inviting collaborative spaces with Banqs Two-Seater and Three-Seater sofas and their wide range of screen configurations.

Sofas can be configured into linear or L-shape layouts along perimeter walls to create informal meeting spaces in under-utilized areas.

They can also be configured into X-shape or T-Shaped settings in more centralized areas to encourage spontaneous gathering and social interactions.

Banqs offers a selection of freestanding occasional tables and task height tables to help complete these multi-purpose settings.

focus space

Provide access to touchdown spaces with Banqs' Solo Focus Sofas.

The Solo Focus is a generous One-Seater sofa that comes complete with work surface, optional power, and USB integration.

A choice of three worksurface styles offers a wide range of focus modes; from heads-down work to a private place to take a call, to a place to gather your thoughts in between meetings.
