

# braso

## features

Offered through a partnership with Artifort in Schijndel, The Netherlands, Braso from Artifort invites you to make yourself comfortable by embracing you. Designed by Khodi Feiz, these inviting chairs feature unique armrests inspired by the natural form of the human arm, making it easy to relax. The corners on Braso are individual joints that bend together for a curve, inviting the user to sit at an angle comfortably with an easy line of sight for social conversations. Choose from a low-back easy chair or high-back armchair with extra head support for even more comfort. Both are available with a hardwood four-leg base or a steel four-star swivel base finished in Studio TK's Fundamental and Fashion powder paints.

## dimensions

- Meets ANSI/BIFMA X5.4 (Four Star Swivel base only)

Braso Four Star Swivel Low Back Chair (ARX1XL)

# braso

## planning

Braso invites you to make yourself comfortable and provide a sense of home with a striking design that embraces the user. An ideal platform from which to relax and socialize, Braso is a fun and ideal complement for an informal lobby or lounge social space, ideation environment and work commons areas where employees network and collaborate. Available in an Easy Chair or High Back configuration with your choice of a Four Star Swivel base available in any of Studio TK's Fundamental or Fashion paints, or a hardwood Four-Leg base in a variety of warm finishes.

specification example

Braso is available in several configurations.

Steps involved in specifying Braso Chairs	Example:
Select lounge chair	<b>ARX1</b>
Select the base style	ARX1X
Select the back height	ARX1XH

Select the base finish	ARX1XHE523G24

weights

Braso Four Star Swivel Low Back Chair	55 lbs
Braso Wood Four Leg Low Back Chair	45 lbs
Braso Four Star Swivel High Back Chair	63 lbs
Braso Wood Four Leg High Back Chair	53 lbs

special upholstery requirements

Unique characteristics of the Braso seating line require all components be upholstered in a Railroad direction. Consideration should be given when selecting upholstery that features patterns or texture as they will present differently than other seating upholstered in the same pattern applied in an Off The Bolt direction. Please see the Technical section for additional information.

COM/COL material requirement

Yardage is based on a non-patterned fabric. Additional yardage may be required for pattern repeats and the matching required. Leather is not suitable for use on Braso chairs,

SINGLE UPHOLSTERY	COM [yards]	COL [sq. ft.]
Braso Low Back Chair	3 1/4	n/a
Braso High Back Chair	3 1/2	n/a
