update summary

Please be advised that information has been updated within the Kiosk Reference Guide. To highlight these updates, a summary has been created for your reference.

revised

Fabric types, grades and pricing have been updated for Add-On Boards (HDAB).

Please note, first orders for new products will be accepted on January 22, 2024. All software will also be updated by January 22, 2024. If you have any questions regarding the information enclosed, please contact your Teknion Customer Service Representative.

what are kiosks

A transformative shift is underway at the office.

The advent of hybrid work models now requires a workplace more agile and adaptable than ever and an environment more welcoming and inclusive, one that invites people to come together to work.

Kiosk is a collection of freestanding modules that define work hubs and distribute collaborative tools across the office. Suitable for training, meeting, work spaces or lounge areas, Kiosk stands at the intersection of furniture and architecture.

FLEXIBILITY

- Modular and maneuverable
- Ability to make and unmake a space

100% PARTICIPATION

- Analog and digital tools
- Promotes interaction between in person and virtual participants

CHOICES

- A curated finish palette to provide a neutral backdrop
- Simple options and add-ons

kiosk product map

The Kiosk offering includes thirteen unique Kiosk configurations with accompanying Add-On and Framed Add-On Boards and power and data accessories. Additionally, the Retrofittable Kits that enable the transition of the Kiosk between mobile and fixed setups.

kiosk planning styles

Workplace settings can include a few Kiosks or additional ones can be brought in for added functionality.

TEAM SPACES

In team huddles Kiosks provide an owned space for brainstorming sessions.
In workshop settings they are performance oriented and provide intuitive functionality.
Kiosks provide technology support and space division.
(Media Kiosk & Open Planter Kiosk)

Enhance functionality with kiosks that bring remote workers into the activity, provide whiteboards and tackboards and a place for coats and bags.
(Media Chat Kiosk, Gallery Kiosk & Mud Room Kiosk)

TRAINING AREAS

Kiosks are ideal when reconfiguration and scalability is required.
They provide digital and analog options and bring remote workers into the activity.
(Media Kiosk, Media Chat Kiosk & Gallery Kiosk)

A place for coats and refreshments add to the functionality, while planters add the warmth of biophilia to the space.
(Mud Room Kiosk, Servery Kiosk & Open Planter Kiosk)

kiosk planning styles (continued)

SOCIAL SPACES

Kiosks provide storage, a neutral backdrop and casual space division to a social space
(Storage Kiosk & Open Felt Kiosk)

Biophilia and a place for refreshments adds comfort to the space
(Servery Kiosk & Open Planter Kiosk)

CAFÉ SETTINGS

Kiosks provide the functionality required in a café/lounge setting including a place to hang your coat, have a coffee and recycle your waste
(Mud Room Kiosk, Servery Kiosk & Recycle Kiosk)

Casual Open Space division adds privacy between settings
(Open Planter Kiosk & Open Felt Kiosk)

kiosk planning styles (continued)

WORKSHOP/TEAM SPACE

Extending beyond the traditional meeting room, gathering Kiosks together around a team-focused table instantly creates a destination for collaboration. With Kiosks, this team workshop space supports technology, personal storage and space division. (Locker Kiosk, Counter Storage Kiosk, Counter Recycling Kiosk and Media Kiosk).

TEAM FOCUS SPACE

Heads down focus team space allows users to work together or independently. Surrounded by various storage solutions, tackboards or whiteboards, this type of Team Focus Space includes everything required for a productive work day. (Open Shelves Kiosk, Counter Storage Kiosk, Locker Kiosk and Gallery Kiosk).

kiosk planning styles (continued)

SOCIAL LOUNGE

Placed alone or grouping several Open Shelves Kiosks side by side forms desirable casual space division while maintaining a visual connection to areas beyond the lounge. These featured Kiosks are useful display units for showcasing items or storing materials. (Open Shelves Kiosk with Full-Height Fabric Add-on and Planter Kiosk).

The following Kiosk thought starters can be found on the Teknion Planning Tool.
