mava by punt mobles

product information

Mava is an elegant wooden armchair with a solid oak or walnut wood frame from the Punt Collection. Its light appearance makes it the perfect guest chair by bringing a unique element of warmth to smaller spaces. Designer Stephanie Jasny used an image of original wooden clothes pegs from the early 20th century as her inspiration. Like the slot in the clothes peg, the slotted legs hold the backrest, which has a wide, open form that seems to fly in the wind like a piece of laundry.
