what is emote

what is emote

Emote transforms the private office into the creative office, one with a fresh look and the freedom to move and function in multiple ways.

Emote offers a new expressive language applied to wood furniture that surprises and inspires while maintaining the natural, tactile appeal of wood.

With Emote, one can make a statement, inspire creativity or offer a sense of home away from home.

Emote supports the agile worker with the freedom to function in multiple ways.

The following layouts are available on the Teknion Planning Tool.

what is emote

Emote, designed by Mario Ruiz, is a collection of 21 distinct furniture elements that includes desks, cabinets, towers, thought boards and accessories.

emote finishes

Chroma wood and paint finishes are exclusive to Emote. The woods consist of 14 bold and neutral paint colors applied to wood veneer with an open pore grain finish to maintain the tactical and warm experience that natural wood grain texture provides.

CHROMA WOOD

						
Brickstone (1D)	TK Hunter (1G)	Herbal (1F)	Midnight (1L)	Atmosphere (1H)	Claret (1K)	Blush (1J)
						
Crisp Grey (1Q)	Soft Gris (1P)	Sand (1T)	Atrium White (1S)	Earth (1R)	Greystone (1N)	Anthracite (1U)

CHROMA PAINT

			
Atmosphere (CJ)	Herbal (CP)	Blush (CK)	Soft Gold (QC)

What does your Emote office have to say?

- Emote finishes and furniture options allow for individual and corporate expression

Transform the private office into the creative office by playing with neutral, contrasting or bold color combinations to convey a desired personality or culture.

home away from home

show your true colors

freedom of expression

make a statement

emote tables

PRODUCT FEATURES

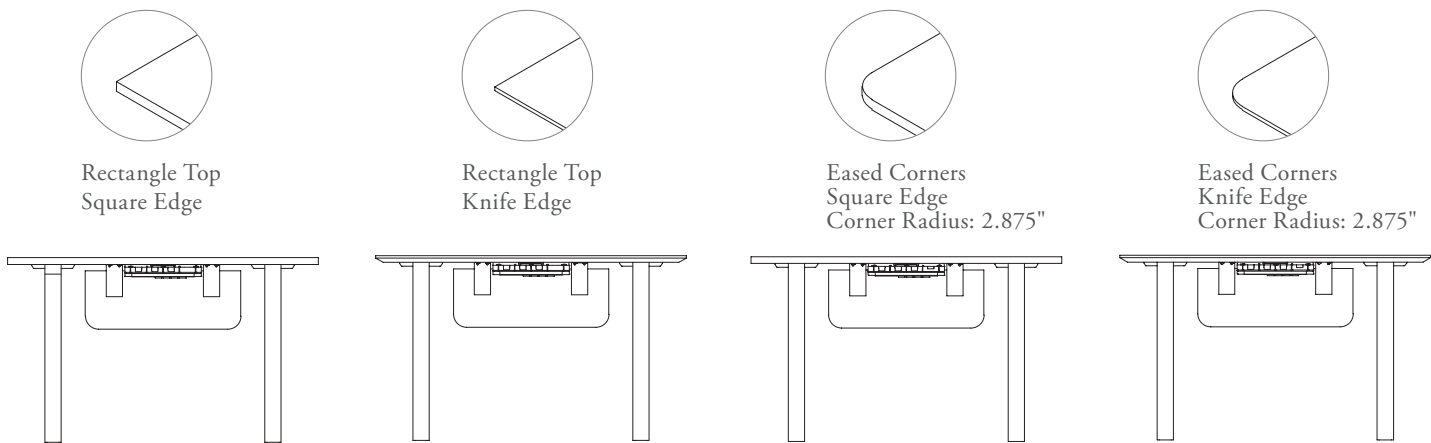

Emote tables are available in 2 options:

- 1. Wood Top with Solid Wood Legs (EMTF)
 - Optional modesty available
 - Power bar with cable tray included
 - Wire management strip included
- 2. Wood Top with Height-Adjustable Base
 - Top with optional modesty (EMTW) and Base (EMTB) are sold separately
 - Switches, power bar and wire management options available with base
